MEMORANDUM

TO: State Board of Education

FROM: Michael P. Flanagan, Chairman

SUBJECT: Adoption of Resolution on Michigan Safe Schools Week

The Michigan State Board of Education is being asked by the Michigan Safe Schools Initiative to approve a resolution declaring November 5-11, 2006, as Michigan Safe Schools Week. Similar resolutions were approved in 2003, 2004, and 2005. Governor Jennifer M. Granholm will also be issuing a proclamation.

The Michigan Department of Education is a partner in the Michigan Safe Schools Initiative, a coalition of state and local agencies which include The Education Alliance, Department of Human Services, Office of Drug Control Policy, Michigan State Police, Attorney General's Office, Michigan State University, United States Secret Service, Michigan Sheriff's Association, Prosecuting Attorney Coordinating Council, Oakland Schools, Ingham Intermediate School District, Lansing School District, Michigan School Board Association, and others.

The Initiative sponsors the annual Michigan Safe Schools Week campaign, which includes the broad dissemination of print and web-based information, as well as activities and resources to help schools create and maintain safe and secure learning environments. Information will be disseminated to all public and private schools, and to the constituent groups of the member organizations.

The objectives of the campaign are to: encourage schools to use the safety pledge as a tool for school violence prevention; support student leadership in planning and implementing safe school programs; identify promising components of their local school safety programs; practice or "exercise" their school safety plans; and conduct school security surveys.

It is recommended that the State Board of Education approve the Michigan Safe Schools Week Resolution, as attached to the Superintendent's memorandum dated July 24, 2006.
